Hello good afternoon Misty I hope you are having an excellent day. By any chance do you happen to know the new relocation of the Big Belly Trashcan outside the T-Mobile Store? Where is it heading to? Street name?

I apologize, I have not had the opportunity to relocate a contractors trashcan before. By any chance do you happen to know the process of how it works? Who do we contact? Is there a form that needs to be fill by LADOT?

If you don't know, is ok. I understand.

Can you please be kind enough to send me Big Bellys phone number so they can lead me on the process of moving this trashcan. What information they need from us?, how long it takes?..etc.

I apologize to bother you. Thank you very much for all your help. We really appreciate it. Have a great day.
